

Easter Egg Competition

There's only one week to go until the Easter holiday and that means it's time for our annual Easter Egg decorating competition. Since we started it a few years ago we've had loads of fantastic entries each year.

Once again we want everyone to design an Easter Egg. You should start by boiling an egg (no uncooked eggs please!) and then you can decorate it using any materials and in whatever way you like.

All entries should be in school next week by Wednesday 29th March. There is a fee of 50p per entry if you would like to enter the competition. Once we have all the entries in, they'll be put on display in the school entrance and a panel of judges will choose the lucky winners. On Friday 31st March we'll announce the winners and they'll receive a prize!

Modern Foreign Language Day

Ferry Lane will be holding a Modern Foreign Languages day on Tuesday 28th March. Pupils in Years 1 - 6 will be visiting different classes throughout the day where they will be exploring different languages and culture and completing different activities. Children may come to school dressed in traditional colours or costume to celebrate the event.

International Food

We wanted to give you all an update on the International Food Event held a couple of weeks ago. We managed to raise a fantastic £194.00 that afternoon! Again we'd like to thank everyone who contributed toward the event, including Mrs Eleftheriades, Ms Chitolie, Ms Andrews, Ms Vaja, Ms Ingram and all of the parents who gave up their time to make it such a success.

School Lunches

Our school lunches have been provided by Lunchtime Company Ltd for the last couple of years. They have done a fantastic job of providing great meals for the children which are not only nutritious but very tasty! Your child can have a hot meal at lunchtime for only £2.20 per day, which is great value. The meals each day are rotated on a three week basis and the whole menu changes every term. So there's always lots of variety on offer, including a well stocked salad bar each day.

Having a school meal at lunch is a great way to prepare your child for the rest of the day. If your child doesn't currently have a meal, and you'd like them to, please enquire in the school office. If your child doesn't like certain things or you have any concerns about the lunches, just ask Miss Miller, who will be happy to help. Don't forget that if you're entitled to Free School Meals, your child can get their meals for free! Enquiries about free school meals can be made in the office.

Term Dates

Next week is the last one before the Easter holiday. The School will finish at the normal time of 3.30pm on Friday 31st March and will then be closed for the next two weeks. That's the weeks of Monday 3rd April - Friday 7th April and Monday 10th April - Friday 14th April. Please remember that Monday 17th April is a bank holiday, so the school will be closed on that day.

The first day back in the summer term will be Tuesday 18th April and the children should be in school at the normal time on that day.

New Green Salad Club

We will be starting a new club on Monday afternoons in the summer term called The Green Salad Club. It will be running from 3.30pm until 4.45pm. The children will be learning to make different types of healthy salads from around the world. We aim to encourage the children to learn to eat and appreciate the nutritional values that you can gain by eating vegetables and pulses.

We will be running four sessions to begin with, involving children from KS2, years 3, 4, 5, & 6. The cost per session is £4.00 per child paid in advance, this will help to cover the cost of buying the ingredients.

If you would like your child to take part, please fill in yours and your child's details on the form below and hand it in at the office. It is very important that you let us know of any allergies your child might have. For any further information contact the school's office, or Mrs Eleftheriades.
