

Ferry Lane Primary School

Sports Funding Grant Expenditure Financial Year 2016-17

Funding for the PE and sport premium

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

In cases where schools don't follow year groups (for example, in some special schools), pupils aged 5 to 10 attract the funding.

In most cases, we determine how many pupils in your school attract the funding using data from the January 2016 school census.

If you are a new school or a school teaching eligible pupils for the first time in the academic year 2016 to 2017, we will base your funding on data from the autumn 2016 school census.

Funding for 2016 to 2017

Schools with 16 or fewer eligible pupils receive £500 per pupil.

Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

Payment dates

Maintained schools, including PRUs and general hospitals

Maintained schools, including PRUs and general hospitals, do not receive funding directly from DfE. We give the funding to your local authority and they pass it on to you.

We give local authorities PE and sport premium funding for maintained schools in 2 separate payments. Local authorities receive:

- 7/12 of your funding allocation on 29 October 2016
- 5/12 of your funding allocation on 27 April 2017

If you are a new maintained school or if you are teaching eligible pupils for the first time in the academic year 2016 to 2017, local authorities receive:

- 7/12 of your funding allocation on 31 January 2017
- 5/12 of your funding allocation on 27 April 2017
