

## How is Pupil Premium Helping Ferry Lane?

Pupil premium is greatly benefitting our school. With extra funding from pupil premium, we have invested in projects such as:

Cycling

Art and Music

Year 4 have been learning how to play wind instruments this year, they're very good at it!

Extra support for children with English as an additional language

School Trips

Counselling

Speech and Language therapy

As you can see, Pupil Premium funding greatly benefits the school and your child. If you would like more information please contact the school office who will be able to help you or visit this helpful website with loads of facts on pupil premium:

## Cycling Special

Last Friday, children from year 5 and 6 took part in a cycle repair workshop where they learned how to repair and maintain their bicycles. All the children received a free cycle repair kit and even helped to fix a puncture on Mr Mackie's bike!

We also have another great cycling opportunity coming up for years 5 and 6; a cycle training course in July which will be open to all children in year 5 and 6 who can already ride a bicycle. If your child doesn't have a bicycle, they can use one of the school's!

Finally if you would like to book a free cycle training course for the 1st or 2nd June (half term) then go to:

<http://www.cyclinginstructor.com/>

Lessons will be held in Finsbury Park.

## Code Club

Year 3 and 4 pupils have had a great time at Code Club this term and have already created several fantastic projects. The projects range from animations to games. We have set up our own Scratch account online where you can view some of our great work. Please take a look - we will be uploading more projects soon!
