

A Message from Mr Miller

Dear parents/carers, governors, pupils, staff and our learning community, It has been an amazing start to the 2017/18 academic year and the autumn term has gone so quickly!

The school looks amazing thanks to ongoing work from Ms Sukiene, Ms Rawahsdeh and our staff, the children have been on some wonderful trips, our committed PTA have raised hundreds of pounds for the school through various ventures with support from yourselves and the children continue to astound us all with their manners, hard work and desire to aim high because anything is possible!

We have both sad and exciting news to share now as well.

Unfortunately Mrs Swift will not be resuming her role as the Nursery class teacher in January. Due to circumstances away from Ferry Lane Primary School and out of Mrs Swift's control we will be saying farewell to this talented member of staff for the time being at least. On behalf of all of the stakeholders of the school I would like to wish Mrs Swift well for the future and thank her for her support with numerous year groups, for establishing our school council, raising many hundreds of pounds and for inspiring so many of our children during her time at our school.

The exciting news is that Mr Hassanali will be the new class teacher alongside Mrs Cozier in Nursery when we return on 03.01.18. Mr Hassanali has become a key part of our Early Years and Foundation Stage team this term working alongside Mrs Swift, Mrs Cozier, Mrs Saleem and Mrs Eleftheriades for some time now and he is well versed in the routines and expectations for his new class.

The New Year will undoubtedly be an exciting time for us all, as any period always seems to be at Ferry Lane. I look forward to seeing what we can all achieve together during the next stage of the school's development. As always thank you so much for your continued support, please have a safe, enjoyable break and the staff & I look forward to seeing you all in 2018!

Tottenham Green Chandelier

Year 3 and 4 took part in an exciting project to create a lit chandelier alongside several other schools. The chandelier is made up of hundreds of little lanterns each created by a child. It is now going up on display in Tottenham Green and should be completed by the end of Wednesday 20th December.

It will remain on Tottenham Green for the duration of January helping to brighten the darkest month of the year. So we would encourage you to pass through the park over the festive season if you can and see it for yourselves!

School Displays

Mrs Rawashdeh and Ms Sukiene have been hard at work implementing lots of bright new displays around the school. You may have noticed lots of display frames popping up all over the school and these are now mostly filled. You can see a few examples pictured below. See how many more you can find!

Hamper Raffle

Last Year we held a raffle for a few hampers packed with goodies. This year we've decided to do the same thing! You can buy tickets to be in with a chance to win one of these great prizes. They are on sale in the playground both before and after school. It costs £1 for a strip of 5 tickets. The winners will be chosen at the end of the Christmas concert on Tuesday 19th December.

There's also a raffle for the children. If you want to purchase tickets for that, they can be bought for the same price at the same place.

Bikeability Course

Well done to all of the children from Year 5 and 6 pictured on the right. After a week long course, they all managed to achieve their Level 2 bikeability certificates!

The bikeability course has been offered in the school for a number of years and aims to teach children how to stay safe while cycling.

Our Junior Travel Ambassadors have had a fantastic year. They've managed to achieve the highest award
