1. Aims

This remote learning policy for staff aims to:

> Ensure consistency in the approach to remote learning for pupils who aren't in school

> Set out expectations for all members of the school community with regards to remote learning

> Provide appropriate guidelines for data protection

2. Roles and responsibilities

Try to insert as much detail as possible when explaining the responsibilities below. If you haven't completely figured out all your systems for remote learning yet, explain where you'll be adding more detail later.

We've covered the people who will typically have a role in remote learning. You may want to add others, such as:

> Pastoral leads (e.g. heads of phase or year)

> SENCOs

2.1 Teachers

When providing remote learning, teachers must be available between 8.50am and 3.30pm

If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When providing remote learning, teachers are responsible for:

> Setting work

  o Work will be set on Seesaw or Goggle Classroom for each class. Each teacher will set work for their own class. Teachers may have to set work for other classes if cover needed and if this is requested by SLT

  o Three activities will be set per day; Maths and English daily and foundation subjects on rotation

  o Twice daily live Zoom sessions with the class to take place to model the work.

  o These should link to the Oak learning academy and activities cross-referenced where necessary.

  o Work will be set at specific times during the day in line with the pupil's timetable.

  o Work will be uploaded onto the children online class where children will be able to respond.

  o Work should be set to the ability of the child

- o Children who must self-isolate, without the bubble isolating, will be sent home with printed work. This will be a sufficient amount for a 14 day period.

- Providing feedback on work
    - o Teachers will be notified when children have completed a piece of work. The work will have to approved by the teacher to show that it has been acknowledged.
    - o As well as all work being acknowledged, the teacher must comment on children's work daily.
    - o The teacher must send class announcement s weekly, to praise the children's efforts and to provide any general class feedback

- Keeping in touch with pupils who aren't in school and their parents –
    - o Teachers are expected to make weekly calls to parents of all children who are not attending school. This will take place from the first week of school closure. If a bubble isolates, phone calls will be made to all children twice each week on Tuesdays and Fridays.
    - o Parents may contact parents through the Seesaw app or email the school at admin@ferrylane.haringey.sch.uk. Mr Hall or Sherone Miller will then direct the email to the relevant member of staff who will respond the parents within 48 hours.
    - o Compaints or concerns shared by parents and pupils should be directed to SLT– for any safeguarding concerns, teachers must follow safeguarding procedures and alert the Designated Safeguarding Lead (Lisa Rawashdeh) or DDSL (Androulla Theodossiou)
    - o Parents will be informed that Seesaw and Google Classroom work must be completed. Failure to engage with the work will trigger more frequent phone calls home and the family will be contacted by SLT. Enforcement of work being completed, and sanctions/ further reporting will depend on the government's stance on whether this will be mandatory or not.

- Attending virtual meetings with staff, parents and pupils
    - o If video lessons are conducted, teachers should avoid areas with background noise, nothing inappropriate in the background) All video lessons must be recorded for safeguarding purposes.

2.2 Teaching assistants

When assisting with remote learning, teaching assistants must be available between 8.50-3.30pm

If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When assisting with remote learning, teaching assistants are responsible for the Mental Health and Wellbeing of pupils.

- Supporting pupils who aren't in school with learning remotely
    - o Vulnerable children not in attendance will receive calls from an allocated teaching assistant who will offer support to the child via weekly phone calls. Permission must be obtained from the parent beforehand and a set time to speak the child weekly will be arranged.
    - o Support staff will provide children the opportunity to discuss any worries or concerns. If a member of support staff has a safeguarding concern about a child, the schools safeguarding procedures must be followed and the DSL or DDSL notified.
